

# Grand Banks

Hook, line, and winner! The glory days of the **Grand Banks** are back and so is the chance to hit the mother load. Fill your nets with cash and grab the other ship's loot too in a competitive bonus round.

#### Main Game Features:

20 lines/5 reel game.

Wins occur left to right only.

**Main game scatter symbol** - Fog Bank (Reels 1, 2 & 3 only)

The Fog Bank scatter randomly reveals a new game symbol or a scatter win amount when the fog bank clears.

**Feature Games** - Deep Sea Bonus Round and the accumulated **Catch Pool**.

The **Deep Sea bonus** is triggered whenever 3, 4 or 5 Trawlers appear consecutively on a wagered line starting with the far left reel.

The **Deep Sea Bonus** consists of seven levels. The player must make selections for themselves as well as for the other trawler. The other trawlers winnings area awarded to the accumulated **Catch Pool**.

The accumulated **Catch Pool** is awarded whenever the Trawler is revealed in level seven.
