

REEL ROUNDUP

You'll have to ride and rope "the bull" when you head out to big sky country to tame the Wild West. This western game features a herd of free spins and a bonus round fit for the outlaw Jesse James.

Main Game Features:
20 lines/5 reel game
Wins occur left to right only.

Feature Game - Free Spins, Mechanical Bull bonus and the accumulated Whiskey Bottle bonus pool.

Free Spins are triggered whenever 3, 4 or 5 Cowboys Hats appear on screen (scattered or not). 4, 12 or 24 **Free Spins** are awarded accordingly.

Whenever White, Brown or Black Bulls appear on screen, the Cowboy will lasso the bulls producing a different win amount, according to the color of the bull.

The **Mechanical Bull** bonus round is triggered whenever 3, 4 or 5 Mechanical Bull symbols appear on screen (scattered or not).

Ride the bull to accumulate Bonus Picks. Choose from an array of trophies symbols in the Showcase to award win amounts.

Reveal the Hot Sauce to spice up your wins, and advance to the next pay level
